OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs clean and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 300 years GOLD MEDAL Haarium Oil has been relieving the weaknesses and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haarium Oil is included in doctors' tasteless capsules containing about 3 drops each. Take them as you would a pill, with a small swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haarium Oil Capsules will keep you in health and vigor and prevent a return of the disease. Do not wait until old age or disease have settled down for good. Go to your druggist and get a box of GOLD MEDAL Haarium Oil Capsules. Money refunded if they do not help you. Three times. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.

NEAR EAST RELIEF

POSTER BASED ON ACTUAL PHOTOGRAPH TAKEN AT ERIVAN, ARMENIA, BY DR. M. S. LITTLEFIELD.

He is only one of 250,000 homeless child victims of Turkish cruelty and oppression in Western Asia. Clad just as he stands in the picture this forlorn little fellow, with hunger-stricken cheeks, hopeless mouth and frail, stricken body, was found wandering in the streets of Iglir, Armenia, by Dr. Milton S. Littlefield of the Near East Relief. He was taken to a Near East Relief orphanage, where it was found that his only earthly possession was the single garment in which he stood—a worn, patched blanket made from a burlap sack.

"I saw this ragged little fellow on one of the busiest business streets of Erivan, not far from the orphanage," said Dr. Littlefield. "He was wandering aimlessly about and no one was paying the slightest attention to him. I did not pose him; the picture shows just the way he stood when I backed him up against a nearby wall."

The photograph is the basis of a striking poster now being distributed by Near East Relief.

Tremendous Growth in Arizona Wealth

Figures made public at Phoenix December 16th, by State Bank Comptroller Jesse L. Boyce, showed total resources of a single bank in Phoenix were now more than two-thirds as large as the total resources of all State and national banks in Arizona in 1906, and that in the elapsed period of thirteen years the wealth of Arizona, as reflected by its bank statements, has increased approximately fourteen fold.

The figures for the November 17th call showed that one Phoenix bank had total resources of \$6,419,243, while all State and national banks in Arizona in 1906 had \$9,000,000.

Compilation of reports submitted by State banks under the last call is nearing completion in the office of the State comptroller.
